3) At the airport:

- a. For purchases in Partner Shops under the "Extime Duty Free", "RELAY", "Air de Paris", "Travel and co" and "Discover Paris" brands: gift vouchers can be used for the total purchase value of Eligible Products. The redemption of Extime Points is immediate.

For the situations described above (redemption of two hundred (200) or four hundred (400) cumulative Extime Points giving entitlement to gift vouchers worth: **i)** two euros (€2) excluding VAT on purchases of Eligible Products in ETEP Opérations SNC Partner Shops (under the "RELAY", "Air de Paris", "Travel and co" or "Discover Paris" brands) or on Eligible Products purchases from ETEP Opérations SNC on the Online Shop, **ii)** eight euros (€8) excluding VAT on purchases of Eligible Products in Extime Duty Free Paris Partner Shops (under the "Extime Duty Free Paris" brand) or on purchases of Eligible Products from the Extime Duty Free Paris Partner on the Online Shop or on purchases of Lounge Eligible Services from the Paris Lounge Network Partner on the Online Shop, or **iii)** ten euros (€10) excluding VAT on Car Park reservations made using the Parking Reservation Service via the Online Shop or the App), **in order to avoid a possible negative balance** of the Member's Extime Points, the maximum redemption of Extime Points held by the Member is calculated according to a method determined by an automatic system. As such, the mentioned system sets the maximum amount of Extime Points that the Member may redeem on their purchases in the Partner Shops, the Online Shop or the App. Members therefore do not have the option to decide themselves the number of Extime Points that may be redeemed. However, the Member remains fully free to redeem or not their Extime Points on their purchases.

When the Member chooses to redeem their Extime Points, their **earliest** Extime Points will be deducted from their loyalty account balance first.

At the Extime Duty Free Paris Partner: gift vouchers worth eight euros (€8) excluding VAT (from the redemption of Extime Points) or of a higher value (from redemption of Extime Points), may be used in conjunction with any applicable Partner promotions or discounts. Gift vouchers (from the redemption of Extime Points) can also be **used in conjunction with the ten percent (10%) promotional benefit** on all products in the beauty category (fragrance, beauty products and make-up) described in Article 5.1 of the General Terms and Conditions.

At the Extime Travel Essentials Paris Partner: gift vouchers worth two euros (€2) excluding VAT (from the redemption of Extime Points), or of a higher value (from the redemption of Extime Points), may be used in conjunction **with any applicable Partner promotions or discounts**.

At the Paris Lounge Network Partner: gift vouchers worth eight euros (€8) excluding VAT (from the redemption of Extime Points) or of a higher value (from redemption of Extime Points), may be used in conjunction **with any applicable Partner promotions or discounts**.

With regard to Car Park reservations made using the Parking Reservation Service on the Online Shop or App, gift vouchers worth ten euros (€10) excluding VAT (from the redemption of Extime Points) or of a higher value (from the redemption of Extime Points) **may be used in conjunction with the five (5) percent promotional benefit** referred to in Article 5.1 of the General Terms and Conditions.

A gift voucher must be used **in one visit** and for all its value only at one Partner. Thus, for purchases at the Airport, **the gift voucher can only be used once and only in one Partner Shop**. For purchases on the Online Shop or on the App, **the gift voucher can only be used once and only at one Partner**. The gift voucher cannot therefore be used in several transactions: i) at the Airport: in a single or multiple Shops and ii) on the Online Shop: for a single or multiple Partners.

Extime Points are **strictly personal** and may not be transferred to another Member or to any third party in general. Neither may Extime Points be redeemed for the benefit of another Member or for the benefit of any third party in general.

The number of Extime Points that the Member can redeem in twenty-four (24) rolling hours is **capped at five thousand (5000) Extime Points**. The provisions of this paragraph also apply to the Extime Points the Member earns from the Car Park reservations made via the Parking Reservation Service. In the event that the Member wishes to convert their Extime Points into Reward ALL points as part of the Accor loyalty programme (as provided for in Article 5.3.2 point 2b of the General Terms and Conditions), it is specified that the cap of five thousand (5000) Extime Points shall apply. The number of Extime Points used for this conversion will be deducted from the cap of five thousand (5000) Extime Points. Moreover, in the event that the Member wishes to convert their Extime Points into reduction coupons from the partner MisterFly (as provided for in Article 5.3.2 point 2.c of the General Terms and Conditions), it is specified that the cap of five thousand (5000) Extime Points shall apply. The number of Extime Points used for this conversion will be deducted from the cap of five thousand (5000) Extime Points.

Extime Points are strictly personal and may not be transferred to another Member or to any third party in general. Neither may Extime Points be redeemed for the benefit of another Member or for the benefit of any third party in general.

5.3.3 The Extime Points total

Members can check their Extime Points balance via their Loyalty area, the Website or the Online Shop, or in certain Partner Shops that have the specific system provided by Paris Aéroport, by providing the sales advisor authorised to use this system with their last name, first name or the email address they used to join the Programme.

The total number of Extime Points available to the Member is shown for information purposes only and may be changed or updated.

Any complaints or specific requests pertaining to the Extime Points balance must be sent by the Member to Paris Aéroport by email using the contact form available from their Loyalty Area. When the Member chooses to redeem their Extime Points, their earliest Extime Points will be deducted from their loyalty account balance first.

The Member may view the number of Extime Points in their Loyalty area which will be deleted if they have not been redeemed at the end of each year.

5.3.5 Refunding Extime Points

In the event of a refund for a purchase made in Partner Shops, on the White label website or on the App, the Extime Points earned on this purchase will be deducted from the Programme loyalty account balance.

If the Member has redeemed Extime Points from the Programme loyalty account balance for their purchases in Partner Shops, on the Online Shop or on the App, their Extime Points will be refunded.

If the Member has used their Extime Points from the Programme loyalty account balance to obtain a reduction coupon for the Flight ticket(s) reservation that he then used on the White label website to get a reduction on their Flight ticket(s) reservation and that their flight(s) is or are cancelled or if the Member cancels their flight(s), the reduction coupon will not be reactivated and the Extime Points redeemed to obtain the reduction coupon will not be refunded.

If the Member has reserved and paid for a Car Park using the Parking Reservation Service via the Online Shop or the App with Extime Points from their Extime Points balance and then cancels said Car Park reservation at least six (6) hours before the scheduled date and time of entry into the Car Park, the Extime Points used for said Car Park reservation will be credited back to the Member. However, if the Member cancels their Car Park reservation less than six (6) hours before this time, the Extime Points used for said Car Park reservation will not be credited back to the Member.

5.4 Exclusion of private sales dedicated to Paris-Aéroports staff

The Programme is not applicable to private sales offered by the Extime Duty Free Paris Partner to airport staff (understood to mean private sales dedicated to airport staff accessible either via the Online Shop or in the Extime Duty Free Paris Partner Shops located in the public area of the Airport).

As the Programme is separate from the private sales of the Extime Duty Free Paris Partner, an airport staff member may not claim any discount (including the ten percent (10%) promotional benefit referred to in Article 5.1 of these General Terms and Conditions) or any benefit or any other right under the General Terms and Conditions in order to have them applied to their purchases during private sales of the Extime Duty Free Paris Partner.

6. Fraud prevention

The loyalty account for the Member's Programme and the Loyalty Card are strictly personal.

The benefits received by the Member under the Programme may not be transferred to any other Member or third party in any manner or form whatsoever (including the sale of such benefits to another Member or third party).

If Paris Aéroport suspects that the Member's Programme loyalty account is being used fraudulently, said loyalty account may be suspended immediately. Investigations may be carried out on the Member's purchase history in order to confirm fraud within the statutory period of limitation.

In the event of fraud, Paris Aéroport reserves the right to either suspend or close the Member's account immediately. The Member will be informed of the suspension or closure of their Programme loyalty account.

Any changes made shall be effective immediately after they have been added to these General Terms and Conditions.

10. Conditions and procedures for suspending or deleting an account

10.1. At the instigation of the Member.

The Member may decide to delete their account at any time via their Loyalty area.

10.2. At the instigation of Paris-Aéroport.

Any improper or fraudulent use of the Service, any falsification of the information sent to Paris Aéroport or its Partners, any conduct prejudicial to the interests of Paris Aéroport or its Partners, by either the Member or any third party acting on the Member's behalf, and more broadly, any use of the Programme in breach of these General Terms and Conditions may result, as Paris Aéroport sees fit:

- In the temporary suspension of their Programme loyalty account for the Programme for a period freely defined by Paris-Aéroport;
- In the closure of the Programme loyalty account, without the Member being able to claim any compensation for any reason whatsoever. This will notably be the case for the loyalty account of a Member who has not been active for three (3) years (has not used their Loyalty Card or signed in to their Programme loyalty account via the Online Shop or App, etc.).

10.3. Effects of suspension or closure of the Member's account.

The Member may neither benefit from the Programme's features nor receive Programme benefits during the suspension period.

The closure of the Programme loyalty account results in the Member losing the benefit of all Programme features and the right to receive the Programme's benefits. The Member will not be entitled to any compensation in this regard.

11. Legal and regulatory obligations

Paris Aéroport is not responsible for the purchases made by the Member, or for the application of any customs duties and taxes that may be due on arrival in the country of destination.

As Paris Aéroport is not the seller of the products that the Member may purchase under the Programme, it cannot be held liable in this respect. Prior to any purchase, the Member is encouraged to check the General Terms and Conditions of Sale of the Partner involved.

Furthermore, Paris Aéroport reserves the right not to accept a potential Member or to exclude a Member who does not comply with or who contravenes French and European Union legal and regulatory provisions relating to restrictive measures against Russia.
